Subject: Upcoming Radar Renewal Classes Ketchikan/UAS and Seward/AVTEC

February 16, 2011

To: Deck Officers:

Reminder ~ Radar Renewal Classes:

- 1) Receipted travel, wages, and per diem are authorized per MMP contractual language
- 2) Contact Amy Wilson amy.wilson@alaska.gov to attend a Radar Refresher or Recertification class
- 3) Radar Observer (Unlimited) is typically denoted on all USCG Licenses and Merchant Mariner Credentials (MMC) without an expiration date
- 4) Radar Original and subsequent renewals are valid for five years
- 5) **Current radar is proved by possession of a current RADAR Certificate of Completion and the endorsement “Radar (Unlimited)” on your USCG issued License** (note all recent Licenses are in the passport style MMC)
- 6) You may be asked to provide the certificate during an inspection/audit, etc to show that your radar is current
- 7) The current radar unlimited certificate of completion should be kept in your binder with your other professional mariner certificates/documents that are required by AMHS when you check in at the Pursers Station
- 8) As always, send in updated USCG documents and related certificates to update your Dispatch/Training files at KCO

Please find the list below of upcoming Radar Renewal and Recertification class dates in Ketchikan and Seward
