LSA Marine Evacuation System “Train the Trainer”

Class: “Train the Trainer” on the LSA Marine Evacuation Slide System

Location: The M/V Malaspina
Ketchikan, AK ~ Ferry Terminal “South Berth”

Date: Sunday, March 4th

Time: 13:00-17:00

Instructor: Vlad Prato, LSA North American Manager
Liferaft Systems Australia (LSA)

Contact: Amy Wilson
amy.wilson@alaska.gov or (907) 228-7254

Class Description:

“Train the Trainer” LSA MES class

- Is from the “Trainers” perspective
- Covers the operation of the LSA System
- Demonstrates how to explain the operation of the marine evacuation system to others, and how to
 - Answer frequently asked questions about the system

This class is primarily for Deck Officers. It coincides with the M/V Malaspina marine evacuation slide drill and deployment exercise on Monday, March 5th in Ketchikan from 09:15 – 12:00 (approx time). It is highly recommended that you attend both the Train the Trainer session on March 4th and the MES drill and deployment on March 5th.

Please contact the AMHS Training Specialist, Amy Wilson amy.wilson@alaska.gov to attend and /or for more information. *Receipted travel, wages, and per diem is authorized per contractual language with the following stipulation: prior authorization to attend/travel to the event must be preapproved preferably in writing.*

“Get Alaska Moving through service and infrastructure.”
